Chocolate and S'mores Ministry & Variety Show

Karen Anders of His Little Lambs Ministry is now available for performances at LWML meetings. Her newest program is "LWML- **Women Who Love JESUS, Others, and Chocolate!**" Karen and her ventriloquist friends "Rose" and "Chocolate" share the importance of both the LWML and its mite box, and how it helps missionaries share the love of Jesus with others all around the world. The performance includes audience participation, instrumentation, and sing-a-longs as Karen and her vent friends help attendees learn about the worldwide outreach of the LWML.
