Family Shield Ministries Projects to Pray for and Support

The Family Shield Ministries Podcast

The new podcast helps us reach out with the Gospel to millions of new people, both church and unchurched, through the Internet and Social Media. You can subscribe to receive it automatically on the Apple App and download podcasts on the website at www.familyshieldministries.com. Funds for expenses in 2018 related to the podcast: \$10,000.

The Counter Cult Ministry (CCM)

The CCM is the fastest growing ministry. We are reaching out through several private Facebook pages designed to reach and equip ex-Jehovah's Witnesses and ex-Mormons, those who have questions about these organizations, and equipping Christians to share God's love with them more effectively. We equip and connect volunteer mentors to individuals that need assistance, present seminars and workshops, produce media programs, and share CCM resources. Funds to support the CCM in 2018: \$6,000.

Family Shield Radio Program

The FSM radio program is aired each week on 53 radio stations throughout the United States. You can underwrite a radio program with a gift of \$600 and underwrite the cost of the distribution to all the radio stations for one month with a gift of \$250.

Family Shield Ministries Executive Director

As we move boldly into the future to share the gospel, we continue to pray that the Lord will open the door for us to find a qualified executive director who can lead us into the future. He or she will raise financial support, have knowledge and successful experience in evangelism, education, and family ministry, and will report to the FSM Board of Directors. More information is available upon request.
