

FAMILY SHIELD MINISTRIES

Take up the shield of faith (Eph. 6:16)

October 2022

Dear Friend of Family Shield,

Thank you for your prayers and support! You are special to us!

Enclosed you will find our newest booklet: “*Let’s Walk & Pray!*” It is our gift to you and your family. We launched our first Family Prayer Walk (FPW) Initiative in 2021. We learned that many Christian parents didn’t feel comfortable praying out loud with their children. We hope this book will help equip parents, grandparents and teachers to enjoy prayer walks with their family and friends! It is also available digitally on our website. Please use it with your family and friends or share it with someone you know who might like to learn more about leading a prayer walk. You can find additional resources about FPW resources on our website: <https://familyshieldministries.com/family-prayer-walk/>

As we prepared some grants during the past months, we received two recommendations from leaders that we want to share with you.

Family Shield Ministries offers a valuable ministry outreach through radio and podcast programming, and a variety of other resources, as it addresses many of the daily challenges being faced in our society. This ministry reaches people with God’s Word providing them comfort and strength. The organization truly lives out its mission to help, equip and witness to families sharing God’s forgiveness and His promise of eternal life.

Deaconess Dorothy Krans, Recognized Service Organization (RSO) Director for the LCMS

In a day and age when family values are challenged socially and legally, compromised structurally and philosophically, congregations, pastors and leaders of the church need others to walk alongside of them with the powerful message that the LORD sustains the family in and through Christ Jesus. Family Shield Ministries is one of those agencies that is committed to helping the Church make a difference.

Through radio, podcasts, mentoring, seminars and the counter cult ministry we help the Church seep deeper into people’s lives, taking the gospel to places and people that are hard to reach. That is our concentration and calling.

Rev. Mark Frith, Chairman, Family Shield Ministries Board of Directors
